DUAL CREDIT OPPORTUNITY

Herzing RN to BSN students may elect to take up to four (4) graduate courses that will satisfy RN to BSN program requirements. These courses will count toward a Master's of Science in Nursing (MSN) degree program with Herzing. The Dual Credit option can save you time, money and provide another level of academic rigor.

Students who intend to to pursue their MSN degree through Herzing, must have a 3.0 GPA in their Bachelor's program.

*The estimated BSN tuition represents the approximate cost for the 32 credits students need to complete through Herzing University per its current catalog. The tuition does not represent fees, see the Herzing catalog for applicable fees. Costs for additional credits taken through NTC and the cost for earning an associate degree through NTC are estimates. Students should refer to the NTC catalog and tuition pricing for a more accurate total cost for earning their bachelor's degree through RN to BSN pathway.

**Estimated average cost per credit is calculated based upon total credits required to earn the BSN degree and estimated tuition for credits through Herzing and NTC.
